

GET MOVING TOGETHER

30. September 2024

We are here for you again with a workshop. At the regiotec Automotive IT car dealership expert panel, you will find us at the information stand and in a compact workshop on the topic of "Lean processes in the wheel season".

We invite you to do so: [Register now for free](#)

You can look forward to the following content in the workshop:

- + The path to a fully digital wheel season process
- + Using mobile devices sensibly and testing them yourself
- + Concluding additional transactions without additional effort
- + Solutions for the efficient management of your used car wheels

You can also meet us at our information stand and exchange ideas with our experts. This will give you the opportunity to obtain individual background information and ideas that can give you an invaluable competitive advantage.

WHEN: 05.11.2024, 9:30 am – 4 pm

WHERE: Porsche Experience Center, Porschestraße 1, 04158 Leipzig
