

ATBAS + Vaudis X

3. April 2025

ATBAS NET will offer a direct connection to Vaudis X from T-Systems from July 2025

Thanks to the new interface, you benefit from many advantages:

- ✓ Smooth integration into service processes Direct connection to VaudisX
- ✓ Automatic parts status sync Always up-to-date – without manual updating
- ✓ Less effort for the service team Efficient simplification of day-to-day car dealership work
- ✓ Quick access to spare parts information All information at a glance – saves time and stress

Let us advise you individually and free of charge “
